Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. A book of kindness, a diary, full of inspirational quotes, poems and short funny stories. * contains naughty words, like swearing and shit!* kindness, the dictionary defines it as a quality, for being gentle, caring and helpful. However, not everyone (humans that is) possess these qualities, I for one cannot understand this, as it's within our nature to be kind, we are born kind (dogs). I think all humans are born kind, but I they lose their way as they grow, and their surroundings disables the quality. Kindness doesn't have to be an elaborate act, in fact most acts of kindness are the simple ones that people remember the most. If you have purchased this book, then you have gone on to help sad animals for Wetnose, so thank you for being kind Rupert the Dog.
